

SYSTEM MAINTENANCE

March 24, 2010

2:00 AM -5:00 AM

On Wednesday March 24th 2010, Picatinny Federal Credit Union will be performing a scheduled system maintenance. During this time, there will be sporadic interruptions of Picatinny Personal Finance Manager and all Telephone Banking services. Maintenance will be performed on the PFCU Website, Home Banking, BillPay and Telephone Banking. We apologize for this interruption of service and for any inconvenience this may cause. Our goal is to improve the performance of our services and have the system back up and running as soon as possible.
