

## **Personalized Debit Card Disclosures**

Picatinny Federal Credit Union reserves the right to reject any image submitted in our sole and absolute discretion, for any reason. By requesting a personalized debit card and submitting an image of your choice, you give Picatinny Federal Credit Union permission to use the image on the Card.

### **Tips for selecting an image:**

- Image files should be in either .jpg or bmp formats
- Images should be a minimum of 1015 x 640 pixels for best picture quality
- Images that are small in size do not reproduce with high quality. For the best clarity, use a larger image with higher resolutions. 300 dpi is recommended for best quality.

### **You may not use images that contain any of the following:**

- Copyrighted material or other photographs not owned by you, including professional photographs taken by others
- Product brands and trademarked material
- Obscene or lewd material, harassing or discriminatory material, or any other socially unacceptable material
- Currency or flags of any country or flags or symbols of any organization
- Phone numbers, web addresses, e-mail addresses, or other personal information
- Advertising
- Symbols of death, destruction, violence, or any other negative images that do not reflect positively on Picatinny Federal Credit Union
- Celebrities and public figures, including sports, music, entertainment, and political figures
- Material that interferes or may interfere with the acceptance or security features of the card
- Political statements
- Socially unacceptable groups
- Profanity, obscenities or nudity
- Alcohol or tobacco
- Religious symbols, images and text
- Images of money
- Photos that feature a mascot or character as the primary focus of the photo
